

285 children participated in the contest for the most beautiful Christmas card 2025

Wednesday, 10 December 2025

For another year in a row the children from first to fourth grade from the schools in Dobrich created Christmas-themed cards and proved that children's imaginations are the most sincere and the purest. The committee had difficulty evaluating the cards because all of them are unique in their own way. After discussion, and considering that the evaluation is for a *child's* card and not a family project, a decision was made to award 3 first prizes and 20 encouragement prizes. The award ceremony will take place on December 18 at 10:00 a.m. in the Grand Meeting Hall of Dobrich Municipality.

The children who will receive awards from Dobrich Municipality are:
